

Make a lasting impression with this convenient and attractive lounge display offering custom branding opportunities and no shipping expenses. Lounges create a unique and welcoming environment to engage with customers.

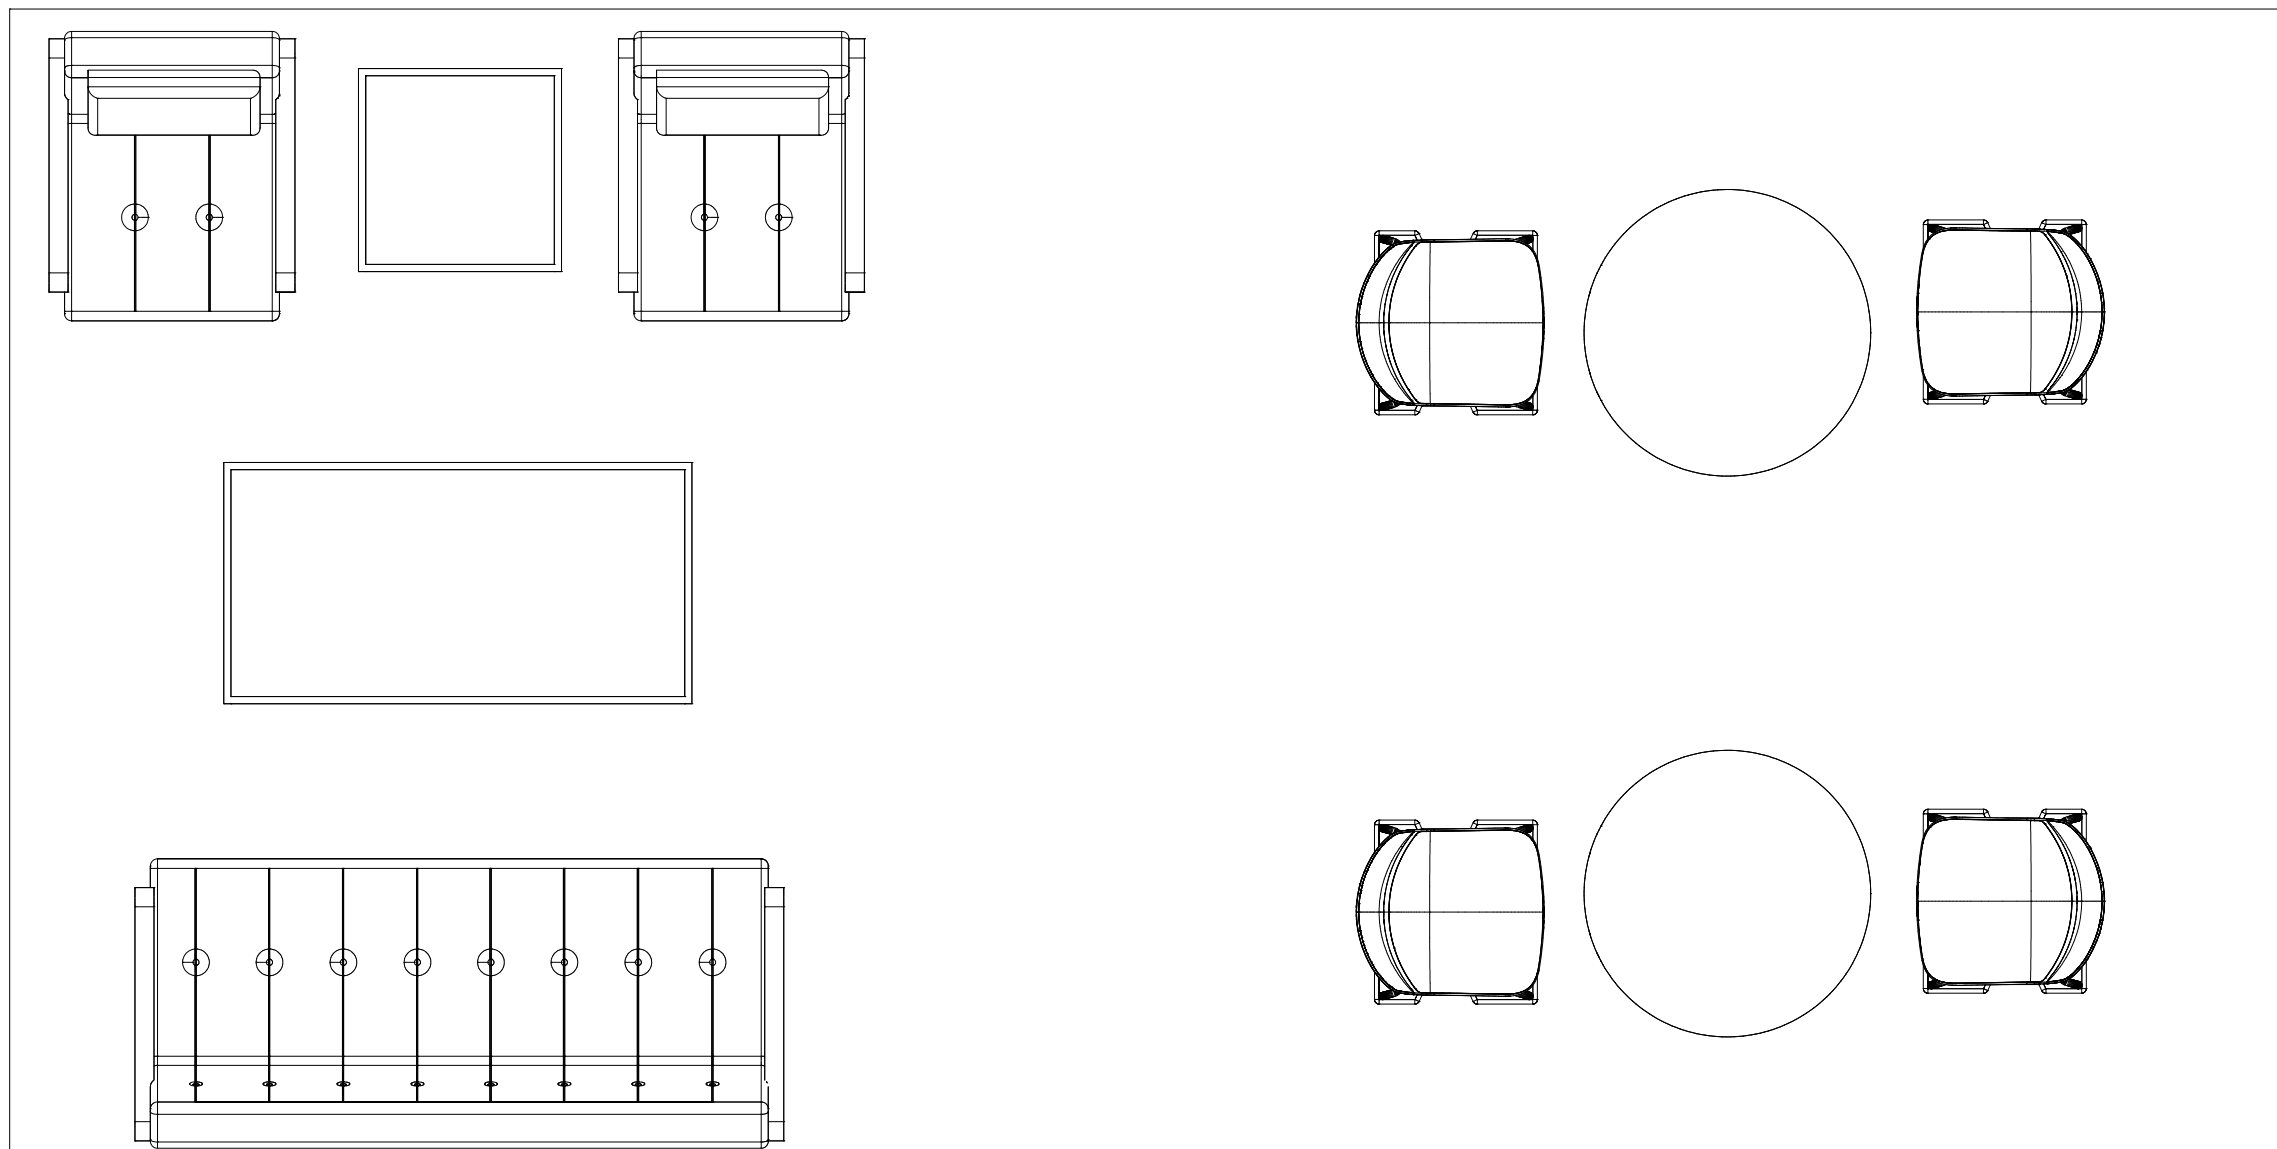

With a larger lounge space, there is opportunity to add unique enhancements including a craft beer station or interactive games.

Replace your custom artwork or company logo where you see the Annual Convention logo.

Additional signage and/or furniture is not permitted with the exception of one floor sign that is no larger than 3' wide by 7' tall. NAMIC will determine location of floor sign within your lounge package.
